**RE: Request for Approval of Air Admittance Valves
CBE Ref. No. 07033.000**

Dear Ms. Diklic:

Per your request, the City of Calistoga building department has **APPROVED** the requested "Alternate Method" for use of "Studor" air admittance valves in lieu of conventional venting pursuant to the California Plumbing Code, Section 301.2 **Alternate Materials and Methods**.

Please call me with any questions regarding this matter (707) 942-2825.

Sincerely,

Brad Cannon, CBO
Building Inspector
Planning and Building Department
