

**CITY OF DANA POINT****COMMUNITY DEVELOPMENT DEPARTMENT**

April 24, 1998

Mr. Michael Lopez  
Studor Inventive Tech. Inc.  
7154 Berry Hill Avenue  
Duarte, CA 91010

Dear Mr. Lopez:

I have reviewed your request for approval of the use of both Studor Maxi-Vent and Studor Mini-Vent air admittance valves within this jurisdiction. Under the provisions of Section 104.2.8 Alternative Materials, Alternate Design and Methods of Construction, Uniform Building Code 1994 Edition, I am approving the use of these devices within the City of Dana Point in accordance with the manufacturer's specification. Any changes in the codes, the product, or the manufacturer's instructions may affect the continued use of the products referenced.

This product should definitely improve the appearance and weather-tightness of buildings.

Sincerely,

Dan Johnson  
Sr. Building Inspector/Office Manager
