

Cast Iron “Set-N-Go” Closet Ring

Hard to Hurt. Easy to install.

Offering exceptional durability and simple installation, the AB&A “Set-N-Go” Cast-Iron Closet Flange creates a reliable foundation for your toilet installation. Thanks to its unparalleled longevity, cast-iron piping has been used in plumbing systems throughout the world for centuries. The AB&A “Set-N-Go” Cast-Iron Closet Flange securely connects the toilet to the drain pipe and bolts to the toilet base for years of worry-free use. This toilet flange includes a test cap that can be easily removed once the system has been properly tested.

Features:

- Cast Iron
- Includes Test Cap
- Compression Gasket Connection
